

It is with great sadness that the OES Rescue of Colorado has been forced to reevaluate the program that it has operated for 10 years. Due the economy and over abundance of dogs in need, the Rescue is faced with possibility of closing its doors. The program is currently running on a trial basis until April 2010 where the situation will be reevaluated. In order for us to continue past the April deadline, the OES Rescue is in desperate need of funding, volunteers and foster homes.

To Donate:

Make checks payable to:

OES Rescue

And send to:

Bette Green

4360 Wileys Road

Peyton, Co. 80831

Or visit our website at:

oesrescueofcolorado.org

And donate via paypal.

Obviously funding is the first concern as without donations the program can not continue. Volunteers and foster homes are also of great need to make better use of the limited funding that we have. If you have questions or would like to become a volunteer or foster parent or know someone else who would, please contact Jessica Lockwood at 719-761-1993 or email her at jlock80@gmail.com.
